TRANSCEND
To A Higher Life

World's first spiritually driven AI

Transcend AI Feature ✦

The uniqueness of Transcend AI is that it will only scan through all and only from the books of His Divine Grace A.C . Bhaktivedanta Swami Prabhupada. Hence you will get the authentic answers to your questions. It will not answer questions outside the purview of the books that are on Transcend. For example it will not answer general knowledge questions like who is the PM of a country etc.

How does it work? ✦

★ **Step 1:** Open the Transcend app on your device and **go to the eBook library**
